ABOUT NUSRL

The National University of Study and Research in Law, Ranchi, is an institution dedicated to the cause of imparting legal education, established by the Jharkhand Government vide National University of Study and Research in Law, Ranchi Act 2010. The Chief Justice of the High Court of Jharkhand is the Chancellor. Hon'ble Justice Surya Kant, Judge, Supreme Court of India, is the visitor and His Excellency Santosh Gangwar, Hon'ble Governor of Jharkhand, is the rector of NUSRL, Ranchi. Prof. (Dr.) Ashok R. Patil is the Vice-Chancellor of NUSRL. We are a Law University offering B.A.LL.B.(Hons.), LL.M., Ph.D. in law, and postgraduate diploma courses. Since 2010, NUSRL has been dedicated to the task of providing world-class legal education to students pursuing our courses. Many of our past students are serving as judges and law officers in various government departments, and many of them have settled into practice at the Bar. Students from NUSRL have consistently demonstrated excellence in their respective fields. To impart quality education, we have specialised faculty who have obtained their education from the best universities in India and abroad and have several publications in the form of research papers and books to their credit. We offer several specialisation courses, including courses in criminal law, forensic science, corporate laws, IPR, etc., wherein students study the intricacies and nuances of the subjects.

ABOUT THE CENTRE

The Centre for Research in Criminal Law and Forensic Science, established in 2017 (initially known as the Centre for Criminal Law), was conceived with the idea of promoting study and research on contemporary issues within the realm of criminal law. The Centre is dedicated to fostering a comprehensive understanding and raising awareness of the evolving challenges in its field while also conducting a critical analysis of criminal laws and offering research-based suggestions. A key focus of the Centre is to promote research in criminal law and provide a platform for researchers and experts to interact and expose the challenges in law enforcement and implementation. The Centre has a dedicated research blog, which receives quality submissions from across India. Besides, the centre strives to facilitate interactions between experts, researchers, and students and contribute to knowledge sharing. The Centre also provides training, research, and advisory assistance to both governmental and non-governmental organisations.

ABOUT THE CONFERENCE

The Centre for Research in Criminal Law and Forensic Science is pleased to announce a Global Dialogue on India's Emerging Criminal Law Framework to be held on 7th and 8th March 2025.

The conference shall be held offline.

The new criminal laws are an attempt to consolidate the developments that have taken place in the light of new criminal jurisprudence evolved through case laws, enactment of other contemporary laws, and addition of new offences in light of the modern ways of committing crime, technological advancements, their use in crime detection, use of Forensic Science in Criminal Investigation etc. The Conference offers a unique platform for Academicians, Researchers, Scholars, Lawyers, Judges, Policymakers and Students to examine the implications of these legislative changes critically and assess their potential impact on India's legal system. The following themes are being provided to guide the participants. However, the list is not exhaustive, and participants are free to select a topic related to the New Criminal Laws.
