

NATIONAL UNIVERSITY OF STUDY AND RESEARCH IN LAW,
RANCHI

VACANCY NOTIFICATION

Project: “NUSRL-CPF First Responder Project”

NUSRL, Ranchi, invites applications from eligible and motivated candidates for engagement on a purely contractual basis for the following positions under the project “NUSRL-CPF First Responder Project”, aimed at developing a statewide network of Cyber Master Trainers across schools, legal institutions, police and paramilitary forces, banks, and public sector undertakings.

◆ **Position 1: Research Associate (Law) [01 Post – Contractual for 11 Months]**

Nature of Engagement

Contractual and project-based for the duration of the project, initially for 11 months, extendable subject to performance and project requirements. The official work shall be performed from Monday to Saturday on the University Campus from 10:00 AM to 05:00 PM, except on gazetted holidays.

Roles and Responsibilities

The Research Associate shall assist the Project Director in the overall implementation and coordination of the project. The selected candidate will primarily be responsible for conducting policy and legal research in cybersecurity, cyber law, digital governance, and awareness frameworks. The role will include preparing training manuals, developing cybersecurity awareness content, drafting reports, coordinating with stakeholders, and assisting in organising workshops, training sessions, and outreach activities across Jharkhand.

The Research Associate will also support the development of digital training modules, certification frameworks, monitoring mechanisms, and impact assessment reports. Additionally, the candidate may be required to coordinate with government departments, educational institutions, law enforcement agencies, Bar Associations, banks, and PSUs involved in the project.

Essential Qualifications

- LL.M./Master's Degree in Law, Cyber Security, Public Policy, Criminology, Computer Science, Information Security, or related disciplines from a recognised university.
- Strong research and drafting skills.
- Demonstrated interest in cyber law, cybersecurity governance, digital policy, or technology law.

Desirable Qualifications

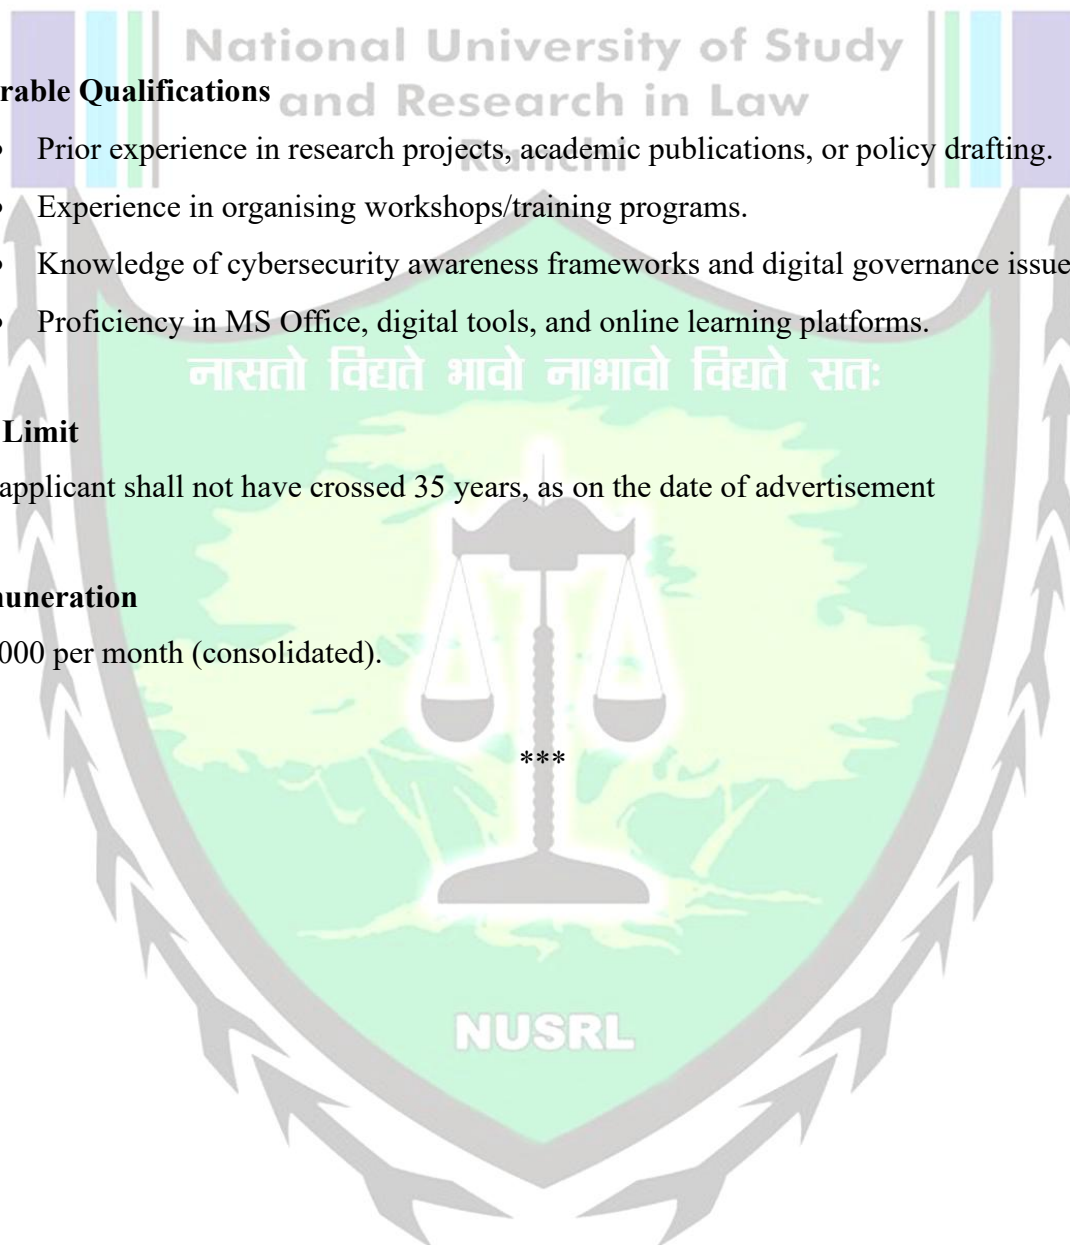

- Prior experience in research projects, academic publications, or policy drafting.
- Experience in organising workshops/training programs.
- Knowledge of cybersecurity awareness frameworks and digital governance issues.
- Proficiency in MS Office, digital tools, and online learning platforms.

Age Limit

The applicant shall not have crossed 35 years, as on the date of advertisement

Remuneration

₹40,000 per month (consolidated).

Position 2: Research Assistant (IT) [01 Post – Contractual for 11 Months]

Nature of Engagement

Contractual and project-based for the duration of the project, initially for 11 months, extendable subject to performance and project requirements. The official work shall be performed from Monday to Saturday on the University Campus from 10:00 AM to 05:00 PM, except on gazetted holidays.

Roles and Responsibilities

The Research Assistant shall support the Research Associate and project team in day-to-day project implementation and administrative coordination. The selected candidate will assist with data collection, documentation, report preparation, communication with stakeholders, maintenance of training records, scheduling meetings, and logistical arrangements for workshops and awareness drives.

The Research Assistant will also support digital outreach activities, social media coordination, certificate management, and participant engagement monitoring under the Master Trainer initiative. The candidate may additionally assist in conducting surveys, compiling feedback, and preparing progress reports.

Essential Qualifications

- Bachelor's Degree in Engineering, Computer Applications, Computer Science, Information Technology, Cyber Security, or any related discipline from a recognised university.
- Good communication and organisational skills.
- Good knowledge of website development and social media skills.

Desirable Qualifications

- Experience in academic/research assistance or project coordination.
- Proficiency in MS Office, Google Workspace, online communication tools and AI tools.
- Knowledge of graphic design, social media management, or digital documentation will be an added advantage.

Age Limit

The applicant shall not have crossed 30 years, as on the date of advertisement.

Remuneration

₹20,000 per month (consolidated).

General Instructions

- The positions are purely temporary and contractual in nature for 11 months.
- The University reserves the right to increase/decrease the number of positions or cancel the recruitment process without assigning any reason.
- Only shortlisted candidates shall be called for the interview/interactions.
- No TA/DA shall be admissible for attending the interview.

Application Process

Interested candidates shall submit:

1. Updated CV/Resume
2. Statement of Purpose (maximum 500 words)
3. Copies of educational certificates
4. Relevant experience certificates (if any)

The above details and self-attested documents shall be uploaded to the Google Form. The link for the same is:
